This statement shows your Net Win/(Loss) for play involving use of your Casinos at Sea players club card. All winnings, including W2Gs (hand paid jackpots) as well as all losses are reflected in the Total Win/(Loss) for the period requested. A positive number indicates that winnings are greater than losses, where as a negative number() reflects losses are greater than winnings.

This Win/Loss Annual Activity Report is intended for only the person to whom it is addressed. It contains confidential information. If you receive this Win/Loss Annual Activity Report in error please notify us at winloss@ncl.com. The information provided in this statement may not be all inclusive of the person's gaming activity and only reflects gaming activity when using the Casinos at Sea players club card. The Casinos at Sea player rating system is not intended for tax reporting, therefore, we make no representations as to either the accuracy of this information or of its effectiveness as a proof of losses. This amount may not include all handpaid jackpots reportable to the IRS on form W2G. The IRS recommends keeping a diary of your gaming activity including essential information such as dates, jackpots, table and slot machine numbers, and total wins and losses. For specific information on tax return preparation and IRS requirements, please consult a tax advisor or the IRS.
